OUTRIGGER FAIRWAY VILLAS

Nature reigns supreme on Hawaii's Big Island — from winter snow that drapes Mauna Kea to the fiery lava volcano of Kilauea and the tranquil waters where whales, dolphins and turtles play.

Situated along the legendary Beach Golf Course at the exclusive Waikoloa Resort on the Kohala Coast, Outrigger Fairway Villas features 2-bedroom, 2-bedroom with loft, and 3-bedroom air-conditioned condominiums. Each is fully furnished with color cable TV, private lanai, soaking tub, separate shower, washer/dryer and a complete custom kitchen including dishwasher, built-in microwave and large double-door refrigerator. Complimentary guest parking and daily mail service add to a complete list of amenities.

Accentuating the resort's contemporary Hawaiian plantation styling are lush tropical gardens and the serenity of a reflecting pond. Unwind in the spa or dive into our fresh-water swimming pool. Workout in the fitness room, or enjoy nearby tennis, and golf.
